

JE PRÉSENTE MON ÉCOLE

Activer

- Go on a walking tour of the school
- In small groups, create a map of the school, labelling the different rooms (you may wish to give students the blank floor plan)
- Have students give each other directions to get from one place to another in their school.
- Create French labels or QR codes for different rooms or places in the school

Acquérir

- Review listening strategies before watching the video. Watch the video several times to ensure comprehension.
- Students can create a list of all the areas or rooms in the schools that are presented in the video (this could be used as a formative assessment for listening/viewing comprehension)
- Compare their school with the schools in the video. Create a Venn diagram indicating what is the same and what is different between their school and the schools described in the video

Ancrer

- Which of the schools would you like to attend? Why?
- Create the floor plan for your dream school
- Give an oral tour of your school, highlighting the features that you think are the most important.

S'autoévaluer

At the end of the lesson, or series of lessons, have the students list the strategies that they used for listening and speaking. Have them set a goal for the next lesson by selecting a strategy from the class anchor chart that they will attempt to use in the next lesson(s)
